

The Technological Educational Institute of Peloponnese is a holder of the European University Charter. As such, it actively participates in European Lifelong Learning Programme 2007 - 2013. Many students and staff members take part in the exchange programme of the Erasmus/Lifelong Learning Programme. Furthermore, many of our students undertake their internship at organizations and institutions of other European countries within the same framework. Furthermore, the TEI of Peloponnese has been receiving an increasing number of incoming students, as well as teaching and administrative staff of partner institutions.
